

Five Years under the Son in West Palm Beach

When we held our first Access-Life Expo in West Palm Beach God

blessed us with 435 attendees and five years later on February 14, 2015 God brought together 1,078 folks to celebrate the outreach's 5th anniversary. It's been so inspiring to see God work in such creative ways each year. Lives enriched with wholesome encouragement, support and Christian care are signature blessings of His gracious presence at each event over the years.

This year in West Palm Beach the weather was cooler than usual giving everyone a breath of fresh air as they perhaps kayaked or rode a boat for the first time, caught their first fish, shot their first bow and arrow or even heard or the first time the Good News of Jesus' love for them. In fact, at the Gospel bracelet craft area there were 5 people who prayed to receive Christ as Savior that day joining God's forever family.

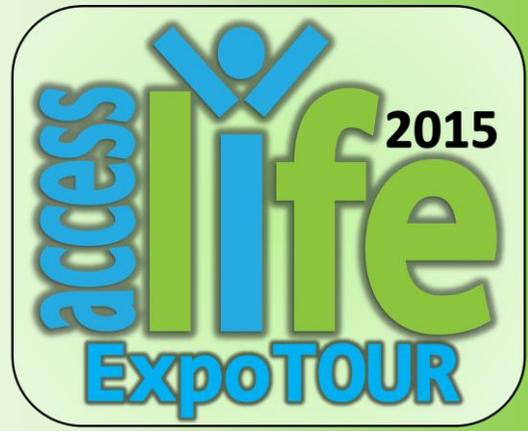

Another popular first at the West Palm Beach Expo was the addition of turtle races with crepe paper leashes allowing participants to follow their new friends around the sandy arena. One turtle was even missing a foot as a result of an accident, adding to the relatability and connections made at this new activity.

At the Prayer and Care booth this year, where people submitted prayer requests and shared praises, there was a special emphasis placed on prayer for a young girl who had previously volunteered at the West Palm Beach outreach but this year was hospitalized fighting the effects of a heart infection. While many of the requests given were prayed for onsite immediately, all were shared along with the praises afterwards with the Access-Life prayer team as well as the Community Prayer Room folks there in West Palm Beach to be lifted up to the Lord with supplication and thanksgiving.

All in all, it was a day full of faith, hope and love filled with the presence of the Lord working at each activity and in each person bringing the joy and peace that can only come from Him.

South Florida Needs

The South Florida Access-Life Outpost team is working toward having their own trailer filled with all the equipment and supplies needed to not only execute the local Expo there but to facilitate other ongoing activities in between the annual outreach.

The ministry has been blessed by a generous gift to buy a trailer but we are still looking for fishing, archery, kayaking, photography, printing, art, crafts, popcorn, snow cones and cotton candy equipment and supplies or donations to help purchase these items, in order to meet this need.

If interested in donating any of the items listed or providing funds for their purchase, please email doug@access-life.org.
