Pray for:

- Disabled individuals and their families to accept Jesus Christ as their personal Lord and Savior.
- Disabled persons to understand their unique plan and purpose that God has given them.
- Churches to embrace, protect and reach out to the disabled community and show sensitivity, compassion, love and mercy toward disabled individuals. Approximately 20% of the world population lives with a disability and only 1 out of 10 individuals with disabilities attends a church.
- Churches to offer respite programs, support groups, integrated buddy ministries, and disability appropriate Bible studies for the disabled community.
- Able bodied believers to understand their responsibility to integrate believers with disabilities into the body of Christ.
- Disabled community to understand the power of prayer. “Ask, and it shall be given you; seek and you shall find; knock and it shall be opened unto you.” Matthew 7:7
- The Lord to help with financial burdens, medical equipment, and any tangible needs in order to help the disabled live an independent, functioning life including job opportunities as less than 50% of people living with disabilities re employed.
- Strength, peace, love, compassion and perseverance for the caregivers as well as respite and that their spiritual, emotional, and physical needs will be met.
- God to strengthen marriages affected by disability as 83% of these marriages end in divorce.
- God would bless siblings of the disabled with peace, strength and the ability to deal with any feelings of neglect, bitterness, insecurity or resentment.
- Parents of children with disabilities to seek the Lord in order to be able to handle the demands of this stressful life.
- Expectant parents of disabled babies to seek the Lord and find the strength and support in Him to carry the baby to full term as 90% of babies that have some type of disability diagnosis in utero will be aborted.
