Blessings Fall at Annual East Tennessee Fall Fun Day

As always our friends at Shady Grove Church in Dandridge, Tennessee held the annual Access-Life Fall Fun Day and as always it was a great outpouring of blessing to many individuals and families living with disabilities in the surrounding area.

Shady Grove has been so faithful in hosting this autumn activity since the early days of the ministry and the harvest of blessings have always flowed both ways, too. Not only do individuals and families living with a disabilities in the community get expectantly excited about this time of festive fun, fellowship, and food but the church likewise looks forward to blessing the participants with God's light and love. One church member even commented that it was one of their favorite outreaches every year.

It is not only an opportunity to celebrate the changing of seasons as well as enjoy the beautiful colors that accompany fall in Tennessee but to set aside a special time in which to thank God for the many blessings that He has bestowed upon us. As Leanne and I have always said, if you simply take time to look around you can always find something good for which to thank God.

In fact, this time of the year and this ministry activity reminds me of the truth spoken in Psalm 34:8, which says: “Taste and see that the Lord is good; blessed is the one who takes refuge in him”. This is the invitation that Shady Grove offers every year and we at Access-Life offer at all of our ministry outreaches. Come and see how good God is. God is pure light and holy goodness at His core. Once you have tasted His true love and have life in Christ your path to your heavenly home is secure and the joys are endless.

All in all, this year’s Fall Fun Day was a great reminder of what this beautiful season holds for us as Believers, So, thank you so much to Shady Grove for faithfully extending this invitation and thank you Lord for such a heavenly harvest of happy hearts each year.
