Ten baskets of Thanksgiving blessings will be given to individuals and families living with disabilities in need in Central Florida and East Tennessee this November. If you are interested in sponsoring one, they are $200 each. Simply write Leanne Life Legacy on your check or choose it in the dropdown menu online at www.access-life.org. If interested in distributing similar baskets in your area this Thanksgiving please email doug@access-life.org.

December 5th is our annual Jingle and Mingle so please be praying for God to bless many with His greatest gift of all - Jesus!

**Mission Statement:** To develop and execute programs and events that share the love and Gospel of Jesus Christ with people living with disabilities, and to connect them to Christ-honoring churches, organizations, resources, and people within their community.

**Programs:** Expos, Outposts Activities like our Spring Flings, GymBALLoozas, Fall Fun Days, Jingle and Mingles, Life Support Activities like our Banquets, Big Wheel Deals, and Build A Wheelchair as well as Internships, Fishing with Friends, Crafting Community, Prayer and Care, Online Bingo, and Leanne Life Legacy projects.

**Board of Directors:** Amanda Rathbun, Chris Lynch, Doug Goddard, Helen McClaren, Laura Payne, Landa Parker, Lisa Hanley, Mike Mitchell, Mike Struffolino, Tiffanie Marksbury, and Woody Conradt

# Fall Fun Day in East Tennessee

I so love seeing God work through the hearts and minds of his people to do great things for him. The folks at Shady Grove church have been a great example of this since our ministry began back in 2010.

They not only provide all of the food for our East Tennessee Expo every year but they also host our Fall Fun Day for us to welcome in the autumn season and bless folks living with disabilities in Jesus name!

This year's East Tennessee Outpost event was on September 19th which is just one weekend after our North Texas Expo. However, I did not have to take time away from the outreach in Texas as they had it covered as always. :-)

They provided a variety of crafts, games, food and fellowship in Christ that brought smiles to many faces from volunteers to participants. I love how God's economy works and how we are blessed to be a blessing but God always out blesses us as we serve. So at this event as is seen at all of our events both the volunteers and participants were a blessing each other in ways that only God can do.

It is so important to have ongoing ministry to folks living with disability throughout the year and not just once a year with an Expo as isolation is a huge challenge for both the families and individuals. Thankfully, God has enabled us to do an Easter Spring Fling, Expo, Fall Fun Day and East Tennessee Christmas Jingle and Mingle in the area each year. While we always have new folks attend many of the participants and volunteers come every year so that friendships are built that will further encourage each other in Christ as everyone needs good Christian fellowship to brighten their day.

I hope you enjoy the photo collage from the event, the smiles on so many faces and the joy of the Lord that can be seen all around.
